A person wearing a blue jacket is shown from the chest up, with their arms crossed. They are looking off to the side with a determined expression. The background is dark and indistinct.

WHOA!

A young boy with dark hair and a surprised expression is looking towards the right. A large, brown, multi-segmented insect, resembling a giant fly or beetle, is flying past him. The insect has long, thin legs and wings. The background is a dark, forest-like setting with green foliage. The word 'WHOA!' is written in a speech bubble above the boy's head. The word 'SWOOSH' is written twice in a stylized, curved font, indicating the path of the insect.

WHOA.
